ABOUT US

- AM Shelving is a Canadian designer, manufacturer and distributor of store fixtures and solutions for independent stores and specialty retailers.
- Our team of experts has worked with clients across Canada and has decades of experience renovating C-Stores and Gas Bars.
- AM Shelving provides project management support and is your single source for everything related to store fixtures and accessories.

GONDOLAS

Manufactured from solid MDF back boards, the gondola slatwall is the easiest and most versatile way to display merchandise. Whether it is 8', 20' or 50' in length, slatwall segments can be combined to create any length desired and are available with optional end caps. Metal inserts are included standard.

Standard configurations:

2' and 3' segments can be combined to create any length.

Single Sided:

24"L x 12"D x 52"H (SSG241252)

36"L x 12"D x 52"H (SSG362452)

Double Sided:

24"L x 24"D x 52"H (DSG242452)

36"L x 24"D x 52"H (DSG362452)

Please contact us for larger sizing.

Colours:

END CAPS

When combined with a gondola, end caps have a proven ability to capture the attention of customers and to convert shoppers that prefer to browse into sales.

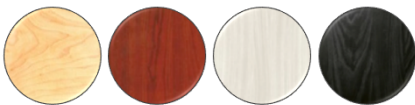

Standard configurations:

24"L x 12"D x 52"H (SSG241252)

Please contact us for alternative sizing.

Colours:

SLATWALL

When combined with accessories such as hooks or hanging banners, slatwall placed along the perimeter of a store can be used to create effective and profitable displays.

Slatwall forms the foundation of any retail store's fixtures and can be used in any number of applications whether in convenience stores, sporting goods, gas bars or any other specialty retail.

Standard configurations:

48"W x 96"H (SW48W96H)

96"W x 48"H (SW96W48H)

Other sizes and colours customizable. Metal insert included

Colours:

WALL SHELVING UNITS

Wall shelving units comprise of 2' or 3' sections that combine to create a solid base for perimeter shelving. When used with slatwall, they create a visually attractive and functional fixture that can be used in an unlimited number of ways.

Fixtures include wall posts and shelves. Slatwall backboard sold separately.

Standard configurations:

24"W x 96"H (WP24W96H)

36"W x 96"H (WP36W96H)

FOUR SIDED SHELF

With a total of 8' of shelving space, these fixtures feature enough display area as a comparable 4' gondola while only occupying a fraction of the space. Measuring only 3'x3' overall, the four sided shelf is a great feature around cash bars, near entrances and in areas where space is the biggest constraint.

Standard configurations:

24"W x 12"D x 52"H (FSS241252)

Colours:

SHELVES

Shelves are manufactured from quality reinforced steel and powdercoated for a durable finish. Available in either solid or wire, shelves are manufactured in a variety of standard configurations.

Standard configurations:

Solid Shelves

24"W x 12"D (SH24W12D)

36"W x 12"D (SH36W12D)

Finishing lip in 1" or 3" available.

Wire Shelves

24"W x 4"D (SH24W04D)

24"W x 6"D (SH24W06D)

24"W x 8"D (SH24W08D)

24"W x 10"D (SH24W10D)

24"W x 12"D (SH24W12D)*

36"W x 4"D (SH36W04D)

36"W x 6"D (SH36W06D)

36"W x 8"D (SH36W08D)

36"W x 10"D (SH36W10D)

36"W x 12"D (SH36W12D)*

Available with 1" or 3" lip.

CASH BARS

Cash bars are custom built to any size or configuration. Featuring a standard depth of 24", cash bars can be customized with slatwall at the front and a storage counter located behind.

Back counters can also be custom manufactured.

Customized to order. Please contact us with your colour and sizing specifications.

HOOKS/ PEGS

Hooks are available in a variety of sizes.

Available configurations:

3" (HK003L)

4" (HK004L)

6" (HK006L)

8" (HK008L)

WIRE SHELVES

Great for storing products and equipment in storage rooms and in coolers. Shelves are adjustable in 2" increments.

Standard configurations:

60"H x 36"W x 12"D (CS603612)

Casters available as an add on option.

WIRE DUMP BINS

The perfect storage item for storing sale items within isles.

Standard configurations:

36"H x 18"W x 18"D (WB361818)

CIRCULAR BINS

Circular Bins can often be paired with wire dump bins and placed near entrances and checkouts for impulse purchases.

Standard configurations:

60"H x 18"W x 18"D (CB601818)

RETRACTABLE BARRIERS

These sturdy barriers can easily be combined for queuing near cash bars or other high traffic areas.

CASTERS/ WHEELS

Casters can be combined with any gondola or wire shelf combination.

Each caster has a built in brake system.
